Peppi - Student Desktop

Welcome to Peppi Student's desktop! Please note that the records taken from Nettiopsu are attached to study rights in Peppi. This means that some of your records may initially appear under certain study rights in unplanned ways. Some study modules may also appear incorrectly. You can arrange your records and upcoming studies with the help of staff. For more information, please contact the faculty's office of academic and student affairs.

As of September 30th, your transcript of records is available on Student's desktop. You can download it by clicking the Download transcript (PDF) button in the upper right corner of the Overview tab of your Personal Study Plan (PSP). The transcript includes the records of each of your study rights. Please note that a self-printed transcript is unofficial. If you need an official transcript, please contact the office of academic and student affairs of your faculty or department.

For more information about using the service, please visit https://intranet.utu.fi/index/peppi_students/Pages/default.aspx.
