Join Flavoria Innovation Festival and apply for a study trip to Japan

Innovation week during which student teams tackle real-life company challenges related to sustainability, circular economy, product development, and Finnish food.

We welcome students from universities and vocational institutes. The week is in English.

November 11–15, 2024, Turku (onsite working 12–5 PM)

+ Orientation event (1,5h) approx. two weeks before the innovation week, time TBD.

Min. 2 ECTS for participating

Participants can apply for a week-long study trip to Japan!

Flavoria Innovation Festival is organized as part of the “WiseFood – resource-wise food chains” project, which is co-funded by the EU.

Co-funded by
