

This form is an obligatory enclosure for an application for the MDP in Information and Communication Technology, University of Turku. Please reserve some time and answer all questions carefully keeping in mind the specialisation track that you have chosen on the application form. Using AI is not recommended, it doesn't make you stand out. Also notice that the answers may be checked for plagiarism with the Turnitin system of the University of Turku. Save the document as "Lastname_Firstname_ICT.pdf" and attach it to your application in My Studyinfo at the latest on 29 January 2025 before 3.00 pm (local time in Finland). Any modifications made to the form will lead to rejection of the application. Enclosures submitted per email will not be accepted.
